

# APRIL

## GUEST SPEAKER BRONWYN GREIVE

**DATE:** MONDAY 15<sup>TH</sup> APRIL 2024

**TIME:** 1:45 TO 3:45 PM

**VENUE:** GOSFORD REGIONAL GALLERY EDOGAWA STUDIO 2

I have always created, and my art training in Natural History Illustration has been late in life. NHI artworks are often thought of as formal artworks or less-than-worthy, but I love nature as a subject and work in a variety of art media and techniques.

I completed a Bachelor of NHI in 2015, went on to Honours and recently completed my creative PhD. The final creative piece was my book "More than Coal: Significant Natural History of the Lower Hunter Valley and Creative Ways to Love it", focusing on twenty-four areas of environmental significance in the Lower Hunter Valley. Each site has at least 1 artwork and a little information; both personal and researched.

***Enjoy afternoon tea and an informative talk from Hunter based artist and author, Bronwyn Greive.***
